Principal Letter

Next Tuesday, November 13th, we will have a Family Math Night for all Hazel Dell families and students. Each grade has created a game activity for families to play at home and at school. There will be fun activities as well as raffle prizes and treats!

Our goal is to learn all our math facts to improve our speed and accuracy when doing math at home, school, or in the community.

Family Math Night starts at 5:30 in the cafeteria with an overview and then will move into classrooms and computer labs. It ends at 7:00.

Subtracting Fractions

$$\frac{5}{8} - \frac{1}{8} = \frac{4}{8} = \frac{1}{2} \quad \frac{5}{8} - \frac{12}{48} = \frac{3}{8}$$

$$3\frac{4}{8} - 1\frac{3}{8} = 2\frac{1}{8}$$

$$5\frac{1}{2} - 2\frac{2}{3} = 3\frac{1}{6}$$
